School in the Woods School Charter

2018-2019

At School in the Woods, I want to feel...

*Peaceful*
*Respected*
*Encouraged*
*Safe*

We will accomplish this by...

- Helping others
- Taking breaks if necessary
- Looking at nature
- Following the Golden Rule
- Trusting each other
- Following the expectations of our school and teachers
- Acknowledging our emotions

When we do not follow the charter, we will...

- Use the check-in symbol
- Communicate our needs with I statements
- Restate the charter to remind each other of our agreements
- Ignore small things when it is appropriate
- Take a Meta-Moment
